

28 March 2018

Dear Colleague

MASTERCLASS FOR INFECTIOUS DISEASES IN SOLID ORGAN TRANSPLANTATION - REQUEST FOR ASSOCIATION SUPPORT

The National University Centre for Organ Transplantation (NUCOT) and Division of Infectious Diseases of University Medicine Cluster, collaborate to organise an inaugural Masterclass to address the emerging issues of Infectious Diseases, focusing in the arena of Solid Organ Transplantation.

Targeted at educating and updating the regional audience of transplant coordinators, transplant pharmacists, intensivists, transplant physicians and surgeons, this Masterclass hopes to provide a platform for national and regional healthcare professionals to meet with an international faculty to discuss the latest research and best practices in managing infectious diseases in solid organ transplantation patients.

Special Guest Speaker
Professor Atul Humar

Director, Multi-Organ Transplant Program
University Health Network & University of Toronto Transplant
Institute
Professor, Department of Medicine | University of Toronto
Toronto, ON, CA

Professor Atul Humar, international key opinion leader in transplant infectious diseases, will be giving 3 keynote speeches in the programme. Participants will gain much knowledge through the in-depth sharing of latest clinical expertise in the 2-day programme:

- (i) Sat, 4 August – Full Day Masterclass
- (ii) Sun, 5 August – Half Day Masterclass with Organ-Specific Parallel Symposiums

Programme Synopsis is appended for your reference.

We would be most grateful if your institution would disseminate the following information to your members where possible. This includes:

- 1) Inclusion of the event web-banner on your official website
- 2) Inclusion of the event in your official events listing
- 3) 2 x circulation of e-Newsletters/ print flyers to your members
- 4) 1 x editorial article in the official publication circulated to your members

To further encourage continual education and development of healthcare professionals in this field, we also highly encourage your institution to provide further subsidies for your members.

In return, we are pleased to extend to your institution:

- Feature of your institution logo on all related collaterals as a supporting organization

Please feel free to contact Sharon at +65-67724228/ sharon_ng@nuhs.edu.sg should have any queries.

Thank you and I look forward to your favourable reply.

Sincerely Yours,

Prof A. Vathsala
