

Dear Members,

Greetings from the ISOT Secretariat!

It gives us great pleasure in announcing the **Post-Doctoral Fellowship Of The Indian Society Of Organ Transplantation.**

Background:

During the training of Transplantation related subjects, there are many aspects of transplantation where some candidates may want to study further finer aspects of the subject. This program will start with **Transplant infectious disease fellowship** & will later on start fellowships in subjects like Immunology.

Requirements:

- Candidate who are interested in or have pursued specialization in Transplantation related field (MD/MS/DM/Mch) are eligible.
- No age limit to apply
- Application will be forwarded to ISOT Transplant fellowship committee & candidates will be informed about their selection depending on availability of seats. Preference will be given to freshly passed out candidates.
- Candidates applying for fellowship should be active members of the Indian Society of Organ Transplantation.
- The candidate will have to arrange for the travel & accommodation. No fees will be charged for the fellowship course.
- The host institute should be willing to provide required training to the candidate & appropriate remuneration. ISOT has not role in deciding the amount of remuneration given by host institute.
- After the completion of fellowship duration, the host institute mentor will have to submit a log book and report of the candidate's evaluation of the training received.
- The candidate will receive a certificate from the Indian Society of Organ Transplantation after satisfactory completion of fellowship.

Application:

Interested candidates can send their applications via personal ISOT account after log in through the ISOT website @ **www.isot.co.in**.

After log in, candidate has to select the Transplant Fellowship column & fill the requisite online form.

Interested institutes can send their application for accreditation of their Transplant infectious Disease Fellowship Program to ISOT Secretary at isotsecretary@gmail.com by 30th June 2024. The Application form & expected curriculum for interested institutes is attached herewith & also available on ISOT website.

With Warm Regards

Aneesh Srivastava
