Date:	Signature:		

The ISOT Credentials Committee will judge proposals on the basis of a common set of criteria. It is therefore helpful if you can present information on the candidate by completing the appropriate sections. Not all criteria will, or need to be met in every proposal, so please feel free to complete only the applicable sections.

How has the candidate made significant impact on the service and practice of transplantation?

--

How has the candidate made an out of the ordinary contribution to education of transplantation?

--

How has the candidate contributed to the transplantation research?

--

Has the candidate contributed to the development of transplantation services in other ways, such as by working in public health or in the community?

--
